BARTERCARD EFTPOS / XPOS

A better way...

Commonwealth Bank 

 **National**

 **Westpac**

There are some great benefits to Bartercard members who use EFTPOS terminals...

- Speed of transaction - saving valuable time when you are busy with customers
 - Administration - members will spend less time on Bartercard transactions
- Reliability - less chance of human error and no need to obtain an authorisation number, making your business control more efficient
- Service - with this time saving process, members will be able to provide a more efficient service to their customers
 - Best of all... you don't pay for the transaction on the terminal
